

## **Dr Philip Bennett**

**DENTAL PRACTITIONER WITH SPECIAL INTEREST IN DENTAL IMPLANTS**

BDS (LONDON) 1978, LDS RCS (ENGLAND) 1979

GDC NO. 52604

Dr Philip Bennett is one of the UK's most experienced implant surgeons, he has been placing and restoring implants since 1989 and has a wealth of knowledge in the field. Recognised as an opinion leader for several implant companies, he still teaches both nationally and internationally on the subject.

He is a former President and Director of Education of the Association of Implantology (UK). He is a Fellow of the International Congress of Implantologists (USA), and an accredited "Expert in Implantology" from the European Dental Association. He has been an invited speaker on many prestigious implant courses including the Royal College of Surgeons Implant Diploma and the University of Salford's Implant MSc.
